### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: In view of the BPAI Decision mailed on 11/30/05 and the motion filed on 10/31/05, the claimed method of identifying a compound of interest in a library of compounds was neither taught nor suggested by the prior art of record.

2. The IDS filed on 1/10/05 was not considered. (See Petition Decision)

3. Claim 129 is generic and allowable. Accordingly, the withdrawn claims 152, 153 and 167, directed to the species of non-elected compounds no longer withdrawn from consideration since all of the claims to this species depend from or otherwise include each of the limitations of an allowed generic claim.

4. Claims 129-174 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
